Hello to all

Sorry to have not been in touch for such a long time but there has not been much to report over the winter.

However now Spring has sprung so once again it's time to think about gardening

As we have done for the last 2 years, we have been asked by Longlands to do a lunchtime garden club. This was started at the beginning of the current term. Unfortunately at present they do not have anywhere to plant out their seedlings. There is someone from the Mens Shed hopefully building some boxes for them.

Last year they had a plant sale and made over £50 for the school.

Corbet Court have not been in touch yet, but I will chase up whether they want us as usual to plant the raised bed in May.

The Infant School expressed an interest in our getting involved with their garden club, but have not yet been back in touch.

The Grove have been offered by Roger Hughes, a small area of ground, 'somewhere near the church' (Not sure where ?), for them to 'garden'. They have asked for our help, but am waiting for the teacher in charge to get back in touch.

I will keep you informed any of the other proposals above come to fruition.

Please let me know if anyone has any other ideas and we can arrange a meeting for all to get together and discuss.

Happy Springtime to All

Suzanne
